IT WILL HAPPEN ON ETERNIA A sword was raised to the sky as if to ask the Divine for help with a mission requiring superhuman strength. The sword is held by a man with tremendous muscles in which are lodged a very generous heart and a mind of great intelligence: this is He-Man. In him are all the positive values of the planet Eternia. Be aware though; in a dark corner of that fantastic world grows elements created by nature and it is called Skeletor. He has an empty socketed skull with a permanent mocking satanic grin, a powerful body, and an untamable will to live only for what is evil. These are the unchangeable characteristics of the opponent of our hero. Between the two "champions" of opposing sides unfolds a battle with no boundaries which symbolizes the constant struggle between good and evil. It is between those who fight for peace and tranquility and those in the shadows who cause disagreements bringing war and death. Involved with He-Man and Skeletor are some very important second leading characters equally divided between good and evil. Therefore, you will be able to take sides. You may cheer for the man who breaks down walls with his head and overcomes obstacles or for the creature who wickedly uses his evil gift to see for miles and through lead walls. You will have fun with these and other special characters. All these elements makes MASTERS OF THE UNIVERSE a unique and wonderful story; a real joy for the eyes and for the mind. In spite of the many wicked tricks invented by Skeletor and his friends, good will always triumph as in every beautiful fairy tale. This is a sticker collection book with room for the collector to place 216 different stickers.
