Birthday Party Murder: A Lucy Stone Mystery Leslie Meier

The whole town of Tinker's Cove is looking forward to the celebration marking former librarian Julia Ward Howe Tilley's ninetieth birthday. Lucy Stone, Miss Tilley's closest friend, dreamed up the party idea--at about the same time she decided she's not getting old without a fight. Noticing crow's feet and a potential jelly belly, she's resolved to exercise more and purchase some heavy-duty wrinkle cream, asap!

That sounds like a plan--until Lucy realizes her daughter's fourteenth birthday bash, a coed sleepover, may turn her hair white overnight. What was she thinking when she agreed to let Sara have the party? Obviously she *wasn't* thinking about the hormonal rampages of young teens. On her mind, instead, was the shocking death of Sherman Cobb, the town's oldest attorney, an apparent suicide. His law partner, however, thinks Sherman was murdered.

Poking about in Sherman's papers, Lucy turns up an intriguing tie between the dead man and Miss Tilley. Meanwhile Miss Tilley's own past has come back to haunt her in the form of a mysterious niece named Shirley and a biker great nephew named Snake. Soon no one can get to see the elderly librarian because the brash, bossy Shirley says she's "failing." Is Miss Tilley in grave danger? Will Sara's party turn out to be a scandal? Now, as a killer's ruthless plan rushes toward a conclusion, Lucy needs answers fast--or else she and Miss Tilley won't live long enough to make a wish and blow out the candles on this year's birthday cake.

So now let us explain to you the relaxing pattern the following is your body and mind will likely be pleased when you are finished studying it, like winning a game. Do you want to try this extraordinary wasting spare time activity?

Charles Branch:

As a scholar exactly feel bored to be able to reading. If their teacher questioned them to go to the library or even make summary for some publication, they are complained. Just small students that has reading's soul or real their interest. They just do what the teacher want, like asked to the library. They go to there but nothing reading critically. Any students feel that reading is not important, boring as well as can't see colorful pictures on there. Yeah, it is for being complicated. Book is very important to suit your needs. As we know that on this time, many ways to get whatever we would like. Likewise word says, ways to reach Chinese's country. So , this Birthday Party Murder: A Lucy Stone Mystery can make you experience more interested to read.
