With great power comes great danger...

When a freak accident leaves Katie Chandler with magical powers, it seems like a wish come true for the former magical immune. But it also means she's vulnerable to magic, just when the dangerous Elf Lord is cooking up another scheme in his bid for power. Anyone who gets in his way disappears--including Katie and her wizard boyfriend, Owen Palmer.

Now Katie's under a spell that obscures her true identity, living a life right out of a romantic comedy movie in a Hollywood set version of New York. Will she be able to find her true Mr. Right in time to break the spell with a kiss and warn everyone, or will she be trapped forever, unaware of the doom facing her world?
