Peace Richard Bausch

From the prize-winning novelist and world-renowned short story writer, recipient of the PEN/Malamud Award and the Academy Award from the Academy of Arts and Letters, a powerful novel about war, trust, and salvation that begs to be read in a single sitting.

Italy, near Cassino. The terrible winter of 1944. A dismal icy rain, continuing unabated for days. Guided by a seventy-year-old Italian man in rope-soled shoes, three American soldiers are sent on a reconnaissance mission up the side of a steep hill that they discover, before very long, to be a mountain. And the old man's indeterminate loyalties only add to the terror and confusion that engulf them on that mountain, where they are confronted with the horror of their own time—and then set upon by a sniper.

Taut and propulsive—with its spare language, its punishing landscape, and the keenly drawn portraits of the three young soldiers at its center—*Peace* is a feat of economy, compression, and imagination, a brutal and unmistakably contemporary meditation on the corrosiveness of violence, the human cost of war, and the redemptive power of mercy.
