America's Three Regimes: A New Political History

Morton Keller

America's Three Regimes: A New Political History Morton Keller

Hailed in *The New York Times Book Review* as "the single best book written in recent years on the sweep of American political history," this groundbreaking work divides our nation's history into three "regimes," each of which lasts many, many decades, allowing us to appreciate as never before the slow steady evolution of American politics, government, and law. The three regimes, which mark longer periods of continuity than traditional eras reflect, are Deferential and Republican, from the colonial period to the 1820s; Party and Democratic, from the 1830s to the 1930s; and Populist and Bureaucratic, from the 1930s to the present. Praised by *The Economist* as "a feast to enjoy" and by *Foreign Affairs* as "a masterful and fresh account of U.S. politics," here is a major contribution to the history of the United States--an entirely new way to look at our past, our present, and our future--packed with provocative and original observations about American public life.
