A man's only as dangerous as he allows himself to be...

**This is a hot and heavy 50 k full military shifter novel with a hot Alpha and a feisty, curvy Latina. This book can be read as a standalone, has a guaranteed HEA and no cheating. Cuddle up with a scorching, growly jaguar this winter and find out the true meaning of danger!**

Dutch Henley knows that he's never wrong. The ex-SEAL has been right all his life and he is damn well not about to stop. A werejaguar with the deadliest of skills, a sniper with a cold hart and true aim, he's a soldier first and a bad boy second. But when for the first time ever he can't pull the trigger, his whole life comes to a grinding halt. Who is this maddening woman making him falter and how can he have more of her!?

Ariadne Gutierrez lives on the edge. An ex-Marine jaguar and an undercover operative, she's devoted to her job and everything else comes after that. Yet a fateful night that leads her to meet a man unlike any she's ever known makes the tough, curvy woman question whether her priorities are in order. One hot night of forbidden passion leads to an unexpected bundle of joy and her existence can only get more complicated from there on. So what's a woman to do when she can't get what she wants and she won't accept anything less?

Facing deceit, death, crazed terrorists and an innocent child in the middle of it, Dutch and Ari need to realize whether they can be a team and trust each other or if fate never had that in store for them. One thing's for certain though - neither one of them is going down without a fight!
