The *ESV Reader's Bible* was created for those who want to read Scripture precisely as it was originally written—namely, as an unbroken narrative. Verse numbers, section headings, and translation footnotes are helpful navigational and interpretive tools, but they are also relatively recent conventions. In the *ESV Reader's Bible* they have been removed from the Bible text. The result is a new kind of Bible-reading experience in a volume that presents Scripture as one extended story line.

On the top of each page a verse range is included for orientation. Other features include a single-column text setting, readable type, and a book-like format. The *Reader's Bible* is a simple but elegant edition, and is perfect for devotional reading, for extended Bible reading, or for focusing on the overarching narrative of the Bible.

- Black letter text, with no verse numbers or footnotes
- Single-column, paragraph format
- Two ribbon markers
- This Cloth Over Board edition is packaged in an attractive slipcase
