Kelley Williams-Bolar received a felony conviction in the state of Ohio for seeking the same educational opportunities for her children that President Obama's children receive. Lindsay Lohan was convicted for shoplifting, possession of cocaine and she blatantly violates the terms of her probation. She even goes so far as to tell the judge the "F" word via her creative finger nails, but she still avoids jail time.

Let's be clear, President Obama is an intelligent man who has done the math: If you are Black you get back and if you are White you are alright.

Between 2005 and 2011, Copley-Fairlawn schools discovered 48 cases of school residency fraud; Kelley Williams-Bolar's was the only case that ever ended up in court. Many people asked if her case was the result of racial bias. After reading her story... you decide for yourselves.
