Dark Horse concludes its complete reprinting of Playboy's legendary Little Annie Fanny strip, with an even bigger second volume, at the same price as the first. Picking up where the first volume left off, this collection follows the strip through to its end in 1988. Ralph Nader, the women's movement, Star Wars, and Arnold Schwarzenegger all fall victim to the merciless and masterful satire of Kurtzman and Elder. The first volume was a smash hit, and the second includes all the same goodies, with never-before-seen production art and behind-the-scenes info about Hefner, Kurtzman, Elder, and the host of cartoonists who contributed to this revolutionary comic.
