“Finally, songs that are really perfect to sign and sing to!”— **Barbara Granoff**, “Sign2Me” presenter and co-creator of the award-winning *Sign-A-Lot DVD* series

Signing along with songs is one of the most effective things you can do to encourage your baby to try new signs. It’s a fun way to introduce new concepts, and music is a great memory aid for language learning! If your baby could talk, he or she would tell you that singing and *signing* go “hand in hand”!

This activity guide and CD program brings you 14 original and traditional signing songs, perfect for the littlest signers, with clear illustrations. Music by award-winning singer/songwriter Susan Z takes you and your little one on a magical journey to a land of storytime, teddy bears, tea parties, and fun-filled daily routines.
