The Atlantic Crossing Guide RCC Pilotage Foundation

A reference book for all those planning an Atlantic passage. It provides information from choosing and equipping a suitable boat, route planning, provisioning, navigation, safety, landfalls, port details and suggested pilot books. It also includes regional weather information, details of ocean winds and currents, and advice on formalities to be completed on arrival in each country. Prospective transatlantic voyagers find advice on the recommended routes to take; the best times of the year to cross; what extra equipment should be fitted; what stores should be taken; and what the facilities are at the destinations. It includes updated information on new harbours, electronic navigation and communications.
