Wake Up America!!!!: Views of a hard-working, red-blooded, flag-waving, right-thinking Regular American (You Know What Makes Me Sick?) (Volume 1) Earl Pitts, Tim Mizak, Gary Burbank

Earl Pitts, American has been entertaining hundreds of thousands of people daily with his legendary commentaries heard on radio stations across the country since 1985. For the most part - he's just like you. (That is - if you entertained hundreds of thousands of people daily with radio commentaries.) He works in a factory by day....and picks up shifts at The Duck Inn Bar at night to make ends meet. Meanwhile - his family - wife Pearl and kids, Earl Junior and Sandra Dee keep pushing his ends farther apart. (Wow - except for that radio thing - this is your life!). Earl's buddies, Dub and Junior Meeker, and Runt Wilson will never be mistaken for MENSA members. In fact - they probably couldn't even spell 'MENSA'. Earl's 14-year old son is getting over a break-up after a two year relationship with his teacher....and Earl's daughter has been in her room crying for the last three years after Homeland Security arrested her fiance in the middle of their wedding. And what can you say about Earl's wife Pearl? Some people hit the lottery in life - and find the perfect life companion, an extension of their own soul. Others marry people like Pearl. Enough said. In other words - it's your typical American life. And it all contributes to Earl's unique take on the world around him.
