A Long Line of Dead Men: A Matthew Scudder Crime Novel, Book 12 Lawrence Block

An ancient brotherhood meets annually in the back room of a swank Manhattan restaurant, a fraternity created in secret to celebrate life by celebrating its dead. But the past three decades have not been kind to the Club of 31. Matthew Scudder - ex-cop and ex-boozer - has known death in all its guises, which is why he has been asked to investigate a baffling thirty-year run of suicides and suspiciously random accidents that has thinned the ranks of this very select group of gentlemen.

But Scudder has mortality problems of his own, for his is a city that feeds mercilessly on the unsuspecting - even the powerful and those who serve them are easy prey. There are too many secrets here, too many places for a maddeningly patient serial killer to hide...and wait...and strike.
