Drawing: Space, Form, and Expression (4th Edition) Wayne Enstice, Melody Peters
Providing students with a comprehensive textbook in drawing.

A comprehensive text for drawing students of all levels.

The fourth edition of *Drawing: Space, Form and Expression* is designed to address the needs of undergraduate drawing students from beginning through advanced levels. This highly readable text is arranged in three sections, which each reflect the essential aspects of the process of drawing. The text addresses spatial and compositional organization, strategies for depicting three-dimensional form and light, and features an extended look at the way subject matter and form interact to produce content. Based on the premise that drawing is an art form in its own right, this text combines comprehensive coverage of traditional approaches to observational drawing with advanced theory.

Teaching and Learning Experience

- *Personalize Learning* - MySearchLab offers assets for further study, including research databases, information on how to write a research paper, and subject libraries.
- *Improve Critical Thinking* - A complete chapter on composition, including critical questions to troubleshoot the form of a drawing.
- *Engage Students* - An entire chapter devoted to student drawings from art schools around the country, including in-depth form and content discussions of each image.
