DETAIL OF KEY WORKS

- LOVE AND FREINDSHIP [sic] is a juvenile story by Jane Austen, dated 1790. Written in epistolary form, like her later unpublished novella, *Lady Susan*, *Love and Freindship* is thought to be one of the tales she wrote for the amusement of her family. The installments, written as letters from the heroine Laura, to Marianne, the daughter of her friend, Isabel, "*La Comtesse de Feuillide*", may have come about as nightly readings by the young Jane in the Austen home. *Love and Freindship* (the misspelling is one of many in the story) is clearly a parody of romantic novels Austen read as a child. This is clear even from the subtitle, "*Deceived in Freindship and Betrayed in Love*", which completely undercuts the title.

In form, it resembles a fairy tale as much as anything else, featuring wild coincidences and turns of fortune, but Austen is determined to lampoon the conventions of romantic stories, right down to the utter failure of romantic fainting spells, which always turn out badly for the female characters. In this story one can see the development of Austen's sharp wit and disdain for romantic sensibility, so characteristic of her later novels.

- THE BEAUTIFULL CASSANDRA [sic] is a short novel from Jane Austen's juvenilia. It is a parody of the melodramatic and sentimental novels of the time and tells the story of a young woman who sets off into the world to make her fortune.

- THE HISTORY OF ENGLAND is a 1791 work by Jane Austen, written when the author was fifteen. It is a burlesque which pokes fun at widely used schoolroom history books such as Oliver Goldsmith's 1771 *The History of England from the Earliest Times to the Death of George II*. Austen mockingly imitates the style of textbook histories of English monarchs, while ridiculing historians' pretensions to objectivity. Her *History* cites as sources fictional works such as the plays of Shakespeare and Sheridan, a novel by Charlotte Turner Smith and the opinions of Austen's family and friends. Along with accounts of English kings and queens which contain little factual information but a great deal of comically exaggerated opining about their characters and behaviour, the work includes material such as charades and puns on names.
