## **Mystery of the Universes** Beverly J Thompson

A wonderful and intriguing series of diverse and esoteric writings or "books," using interdimensional communication, on who we are as humanity, our symbiotic relationship with our Earth, why we incarnate, why the third dimension was created, other dimensions, the concept of time, bio-genesis, and more. Many of the writings are ancient, brought forward to this time so we can remember just how magnificent we truly are within our Creator. With mankind's consciousness ascending, this book (the first book in a series of three) gives us a much greater understanding of our divinity.
