The Wedding Date Elizabeth Young

It was only a little white lie--but you should never tell little white lies to your mother. As Sophy is about to discover.

Sophy's single, and happy about it. She does, however, have an imaginary boyfriend - Dominic - whose sole purpose is to keep Sophy's mother off her back. Which is fine, until Dominic's presence is demanded at a family wedding. What should Sophy do? Admit he was a fantasy? Pretend they broke up? Invent a sudden but tragic death? Oh no. Sophy hires an escort. But when the distinctly delicious Josh Carmichael arrives on her doorstep ready to step into Dominic's expensively tailored shoes, Sophy can tell things are going to get tricky. And the wedding is only the beginning.

From reader reviews:

Angel Huitt:

The book The Wedding Date can give more knowledge and information about everything you want. So why must we leave a good thing like a book The Wedding Date? A number of you have a different opinion about guide. But one aim which book can give many details for us. It is absolutely right. Right now, try to closer along with your book. Knowledge or info that you take for that, you are able to give for each other; you may share all of these. Book The Wedding Date has simple shape but the truth is know: it has great and big function for you. You can seem the enormous world by available and read a e-book. So it is very wonderful.

Carl Kile:

Information is provisions for those to get better life, information these days can get by anyone with everywhere. The information can be a understanding or any news even a problem. What people must be consider when those information which is inside the former life are challenging be find than now is taking seriously which one is acceptable to believe or which one the particular resource are convinced. If you receive the unstable resource then you get it as your main information we will see huge disadvantage for you. All those possibilities will not happen inside you if you take The Wedding Date as your daily resource information.

Priscilla McNeil:

Your reading 6th sense will not betray an individual, why because this The Wedding Date book written by well-known writer who knows well how to make book which might be understand by anyone who read the book. Written throughout good manner for you, still dripping wet every ideas and creating skill only for eliminate your current hunger then you still question The Wedding Date as good book not only by the cover but also with the content. This is one reserve that can break don't determine book by its cover, so do you still needing yet another sixth sense to pick this specific!?! Oh come on your reading sixth sense already said so why you have to listening to one more sixth sense.

Todd Voss:

Reading a publication make you to get more knowledge from this. You can take knowledge and information from your book. Book is prepared or printed or descriptive from each source in which filled update of news. In this particular modern era like currently, many ways to get information are available for you actually. From media social just like newspaper, magazines, science book, encyclopedia, reference book, book and comic. You can add your understanding by that book. Ready to spend your spare time to open your book? Or just in search of the The Wedding Date when you needed it?
