Is the church of the twenty-first century supposed to regain its former glory, or is it too late? Are the people of God in exile yet again? Have we lost our cultural footing and are now in desperate need to find a new way for the present millennium? Daniel was born into a nation of God-fearers, where the Scriptures were embraced and biblical values espoused. But that all changed with the Babylonian exile. Daniel's God, his values, and his faith had become irrelevant and even despised in his society. With the erosion of Christendom, Daniel's story has become the church's story! *We've Lost. What Now?* offers a clear, insightful, and relevant exposition of Daniel in order to empower believers to minister more effectively than ever before from the social and cultural margins the church now inhabits.
