Witchcraft is a positive, joyful celebration of life expressed through a meaningful, creative connection with nature. If you feel a kinship with all the life forms of Earth - animal, plant and mineral - and find solace in nature and the changing seasons, then you have already sensed the essence of this alternative spiritual path. Reverent and relevant, nature-based spirituality offers a way to experience the divinity and magic of all around you everyday.

This introductory guidebook presents the beliefs and practices of Witchcraft. Learn how to bridge the worlds of the seen and unseen, and integrate both the magical and mundane into a balanced life. Not exclusive to any one tradition, *Witchcraft: An Alternative Path* covers Esbat and Sabbat celebrations, simple spells, divination, altar set-up, deities, the Witches' code of personal responsibility, and rites to honor the God and Goddess.
