All In Patricia Scott James

All In Ante up Dr. Kathleen Keeler realized her life had to be more than just her career. The exuberant feeling that came with saving someone's life couldn't fill the craving she felt for someone to share and build a life with. But to find a man who could understand the demands of her job was going to be difficult. Working undercover on assignment with the DEA, Detective Andrew Reilly's career took up all his focus. Finding someone he was attracted to wasn't in the cards for him... at least not right now. Raise the bid A friendly little game of Texas Hold'em introduced them and an undeniable attraction pulled them together. When Kate accidentally finds herself in the middle of Andrew's surveillance op and gains the interest of a suspected drug czar, her life gets intricately entangled in Andrew's work. Go All In Kate finds herself over her head in trouble. Andrew always lived for the case and putting the criminals behind bars. But with Kate's life on the line, he will do anything... anything... to keep her safe and in his arms. You don't choose the hand you're dealt, but you do get to decide how you're going to play the game.

From reader reviews:

Lawrence Gregory:

This All In is great reserve for you because the content which can be full of information for you who always deal with world and still have to make decision every minute. This kind of book reveal it facts accurately using great organize word or we can claim no rambling sentences inside. So if you are read it hurriedly you can have whole info in it. Doesn't mean it only provides you with straight forward sentences but difficult core information with attractive delivering sentences. Having All In in your hand like keeping the world in your arm, details in it is not ridiculous a single. We can say that no book that offer you world inside ten or fifteen small right but this guide already do that. So , this really is good reading book. Hi Mr. and Mrs. busy do you still doubt this?

Pedro Engle:

On this era which is the greater man or who has ability to do something more are more treasured than other. Do you want to become one among it? It is just simple way to have that. What you should do is just spending your time very little but quite enough to experience a look at some books. One of several books in the top record in your reading list is All In. This book that is qualified as The Hungry Mountains can get you closer in turning out to be precious person. By looking up and review this guide you can get many advantages.

Suzanne Mitchell:

As we know that book is significant thing to add our information for everything. By a e-book we can know everything we wish. A book is a pair of written, printed, illustrated as well as blank sheet. Every year ended up being exactly added. This reserve All In was filled with regards to science. Spend your spare time to add your knowledge about your scientific research competence. Some people has distinct feel when they reading some sort of book. If you know how big benefit of a book, you can feel enjoy to read a publication. In the modern era like currently, many ways to get book that you simply wanted.

Charlie Seymour:

As a student exactly feel bored for you to reading. If their teacher questioned them to go to the library in order to make summary for some reserve, they are complained. Just small students that has reading's heart or real their interest. They just do what the professor want, like asked to the library. They go to generally there but nothing reading critically. Any students feel that studying is not important, boring along with can't see colorful photographs on there. Yeah, it is to become complicated. Book is very important for you personally. As we know that on this time, many ways to get whatever we wish. Likewise word says, many ways to reach Chinese's country. Therefore , this All In can make you really feel more interested to read.
