ICD-10-CM Provider Documentation Guide - Group 4: Orthopedic, Neurology, Podiatry, Interventional Radiology, Pain Management, Physical Therapy, Behavioral Health, Radiology

InstaCode Institute

535 pages. The provider's documentation plays a critical role in the transition to ICD-10-CM. The higher specificity of ICD-10-CM may necessitate changes in the way a provider documents - usually the need for more specific information. InstaCode's ICD-10-CM Provider Documentation Guide™ books will help you and your providers master ICD-10-CM. Use as a quick study guide for some of the most common codes in your specialty. Keep them handy as a quick reference when documenting or coding. Ideal for weekly staff briefings and 5-minute trainings. Each Provider Documentation Guide, or "PDG" as we like to call them, starts with a familiar ICD-9-CM code and drills down into the related ICD-10-CM code showing the options at each code level or digit. Each level indicates the concept that needs to be documented (ex: type of disease, laterality, etc.). Relevant coding notes are included along with Includes, Excludes, Notes, Code Also, Use First and other coding guidelines from the tabular information. Provider Documentation Guide™ books contain at least 25 PDGs for each listed specialty. There are 9 PDG books each comprised of several related specialties.
