My Brother Has Autism (Children with Special Needs Book Series) Deborah Woo-Ming

“My Brother Has Autism” is a story about a little boy, named Jake and his younger brother, Johnny. Johnny has Autism. Jake is describing what his brother is like and the therapy his brother experiences. He also tells the reader all the reasons he and his family love his little brother Johnny. This is a great book for siblings of those who have Autism, as well as for friends and family. It describes the busy days within a family of a child with Autism and the love that is generated within that family.

About the Author: I am a Special Education Teacher who has worked with students along the entire spectrum of Autism. I also have a child diagnosed with Autism. This book is the beginning of a series of books that address social, play, and communication skills for young children on and off the Autism Spectrum.
