Healer (Blue Moon Rising Book 3)

After being accepted as Healer, Wisdom must use his abilities to rebuild the Realm of Trully and keep faith with the people. Between impressing a childhood sweetheart, prying secrets from his half-brother, and pretending to own a white-winged harpy for a servant, Wisdom receives an invitation to the land's only floating castle. It is there that he is shown a device used in the cleansing of any corrupt magic, and is the key to stopping a growing Darkness forming the Black Unicorn's territory.

The trials to owning a clan are never-ending. But an even greater threat exists that could destroy the human race altogether unless Wisdom finds a way to bring the people together and prove they belong.

Meet a half-breed Black Wing caught in the clutches of an alchemist, who wields a power he hopes will make him the magic-user he has always wished to be; a runaway girl searching for a way out of an arranged marriage; a Healer seeking to destroy the very foundation which led to the division of his people; and two sister unicorns – one Pure and one Dark.
