Living Banaras: Hindu Religion in Cultural Context (SUNY Series in Hindu Studies)

Living Banaras: Hindu Religion in Cultural Context (SUNY Series in Hindu Studies)

By focusing on contemporary popular religious traditions, the book represents a substantial contribution to the study of modern religious practices in Banaras, holy city of India. This book offers in-depth, ethnographic views of many contemporary popular religious practices that have, for the most part, received little attention by scholars. Topics covered include the Ramlila celebrations, devotion to Hanuman, and goddess worship, and the way that Banarsi Boli, the local dialect of Banaras, supports its users in their identification with the sacred city.
