More Than You Know

Rosalyn Story

More Than You Know Rosalyn Story

This debut novel opens with a 9-year-old boy carefully bearing a tiny infant through a furious thunderstorm. Sworn to hide the baby's origins, he delivers the nameless child safely to the doorstep of an unaware family. Decades later, the boy, L.J. Tillman, has matured into a brilliant young jazz saxophonist and is happily married to Olivia, a promising singer who works as a beautician. When the secret L.J. has kept so faithfully is finally revealed, it tears apart his relationship with Olivia and starts a downward spiral that ends with him homeless and playing for pocket change on the streets of New York. For her part, the tormented Olivia, abandoned by L.J., sinks into depression.

More Than You Know is the elegantly crafted story of how this shattered couple rescues their marriage: shaken to the core, they discover that truth conforms to its own rules and that love can endure even the most profound injuries.

Rosalyn Story, herself a successful musician and writer about music, has created an emotionally consuming page-turner that delves deeply into the mysteries of family and marriage in rich, lyrical prose.

Rosalyn Story is a violinist with the Fort Worth Symphony and author of *And So I Sing* (Amistad, 1990), a nonfiction work about African American opera singers. *More Than You Know* is her first novel.

Yolanda Powers:

As a scholar exactly feel bored to help reading. If their teacher asked them to go to the library in order to make summary for some book, they are complained. Just tiny students that has reading's heart and soul or real their pastime. They just do what the teacher want, like asked to go to the library. They go to there but nothing reading significantly. Any students feel that studying is not important, boring and also can't see colorful pictures on there. Yeah, it is to become complicated. Book is very important for you. As we know that on this era, many ways to get whatever you want. Likewise word says, ways to reach Chinese's country. So , this More Than You Know can make you experience more interested to read.
