## **The Lair of the White Worm (with The Lady of the Shroud) (Mystery & Supernatural) (Tales of Mystery & the Supernatural) Bram Stoker**

With an Introduction by David Stuart Davies. Here are two great, neglected horror novels by Bram Stoker, author of Dracula, together in one volume for the first time. It is a double treat for lovers of blood-curdling fantasy fiction. The Lady of the Shroud, published here in its full and unabridged form, is a fascinating and engrossing concoction of a vampire tale, Ruritanian adventure story and science fiction romance. The novel fully demonstrates the breadth and ingenuity of Stokers imagination. The spine-chilling The Lair of the White Worm features a monstrous worm secreted for thousands of years in a bottomless well and able to metamorphose into a seductive woman of a reptilian beauty who survives on her victims life blood. The novel contains some of Stokers most graphic and grisly moments of horror.
