**The Wrong Jesus: Fact, Belief, Legend, Truth . . . Making Sense of What You've Heard** Gregory Monette

In a world where atheism is a growing movement, especially in the university setting, it's typical for students today to face doubts about the Christian faith. In fact, many have wondered at one time or another if the Bible stories about Jesus could possibly be true. Is there any way to back up what we've heard with real evidence? Can false information be discredited with historical proof?

Now students can join Greg Monette as he explores the fascinating basis for belief in the biblical Jesus. Readers can trek through the ancient historical sources, biblical archaeology, and recent discoveries to uncover the facts about what Jesus really said and did—His birth, His miracles, His claims, and His resurrection.

Written for believers, skeptics, and the non-expert, this book will help readers discover where history and faith collide— and it just might change everything.
