Acceleration Graham McNamee

It's a hot summer and in the depths of the Toronto Transit Authority's lost and found, 17-year-old Duncan is cataloguing misplaced belongings. And between Jacob, the cranky old man who runs the place, and the endless dusty boxes overflowing with stuff no one will ever claim, Duncan has just about had enough. Then he finds a little leather book filled with the dark and dirty secrets of a twisted mind, a serial killer stalking his prey in the subway. And Duncan can't stop reading. What would you do with a book like that? How far would you go to catch a madman? A chilling, thrilling read for fans of mysteries and suspense - highlighted during World Book Night 2014.
