Bulletface 2: The Bang Bang Theory Rio

In the rarefied world of obscenely rich Hip-Hop moguls, Blake "Bulletface" King reigns supreme. Forbes has him listed as having a net worth of \$1 billion. His bride-to-be, the beautiful Alexis Costilla, is a Mexican drug cartel boss and CEO of the most lucrative entertainment corporation since News Corp.

Together they have the world in their hands. They are the First Family of Black America. The power couple. No one can stop them.

But their enemies are hard at work trying to do just that.

Mexican terrorist Jennifer Costilla returns to the States with a new look and an old agenda. Murdering her niece Alexis's family brings joy to Aunt Jenny but the person she really wants dead is Alexis.

T-Walk, Bulletface's longtime nemesis, is grimly determined to put Bulletface to death by any means necessary.

On top of it all, Bulletface finds himself at odds with the most ruthless, gun-crazy young thug in Hip-Hop.

With guns blazing from every direction, Bulletface has only one option. He must become as gun-crazy as his enemies.
