Pastoral de la salud (Spanish Edition) Fernando Poyatos

Pastoral de la salud. Guía espiritual y práctica abarca, como ningún otro libro en este campo, y con profusión de casos y testimonios, las funciones de este ministerio en el ámbito sanitario, en residencias de mayores y en las parroquias, incluyendo, entre otros temas: la evangelización; los múltiples aspectos de la oración; los sacramentos; la importancia de la comunicación no verbal interpersonal y con el entorno; el enfoque cristiano y bíblico de las muchas formas de sufrimiento; la ayuda no sólo en la enfermedad y ante los actuales retos de la bioética, sino frente a igualmente graves problemas emocionales y espirituales, como desesperanza, soledad, pérdida de fe, falta de paz, alejamiento de la Iglesia, incapacidad para perdonar; las crecientes experiencias ecuménicas e interreligiosas en este campo; el lastre de la superstición y de las prácticas ocultistas y de la Nueva Era. El obispo monseñor Rafael Palmero, del Pontificio Consejo de la Pastoral de la Salud, confirma en su prólogo que se trata también de una muy necesaria guía para la formación integral de seminaristas, agentes de pastoral, personal sanitario y equipos parroquiales, así como para retiros, cursos, cursillos, talleres y enseñanzas.
