Porqué una hija necesita una mamá: 100 razones Gregory Lang

The relationship between mothers and daughters is a complex and often confusing one. This Spanish-language version of Lang's bestseller *Why a Daughter Needs a Mom* features photos of daughters and mothers of all ages along with all of the reasons why a daughter's relationship with her mother defines the woman a daughter will become.

When they look at each other, mothers and daughters often see themselves, with the mother seeing herself as a child again and the daughter glimpsing the woman she will likely become. While this can be frightening at times, it can also be comforting. A daughter needs her mother to tell her the journey from girl to woman is more exciting than frightening and, with the blessing of children and grandchildren, the journey never ends.
