I'm Kate Bjorkman. I don't like romance novels. They're full of three-paragraph kisses describing people's tongues and spittle. But what do you do if you've lived a real romance with a great-looking guy (Richard) and he loves you as much as you love him? I know what I did. I wrote this romance novel about myself, using the Romance Writer's Phrase Book. I also used stuff my English teach taught me about writing. He said a story must have conflict. No problem there. My life was one big conflict last Christmas. I didn't make anything up. This is the honest truth and I want truth even in romance. I'm betting you'll want the same.
