Memoirs and Remains of the Late Rev. Charles Buck, Containing Copious Extracts from His Diary, and Interesting Letters to His Friends: Interspersed ... of His Character and Works (Classic Reprint)

John Styles

The Author sincerely hopes, that the delay of this Publication, occasioned by severe and long-protracted domestic affliction, will not prove injurious to the Family for whose benefit it is intended. The life of an eminently pious man, faithfully written, can never be out of date: the interest which it excites is neither local nor temporary. Recollections of such a man as Charles Buck will be always .most grateful to his friends and instructive to the world, especially to the rising ministry. By permanent memorials of the great and good we retain their examples, after the individuals themselves have entered upon their reward. A work of this nature takes its station in the moral heavens, and according to its magnitude and lustre, contributes its proportion of that light which guides and allures the Christian to his immortal destiny. Brighton, February
