My Big Toe (3 Book Series) Thomas Campbell

From Book 1: Book 1 of the MY Big TOE trilogy.

My Big TOE, written by a nuclear physicist in the language contemporary culture, unifies science and philosophy, physics and metaphysics, mind and matter, purpose and meaning, the normal and the paranormal.

The entirety of human experience (mind, body, and spirit) including both our objective and subjective worlds is brought together under one seamless scientific understanding.

Book 1: Awakening –

Section 1 provides a partial biography of the author that is pertinent to the subsequent creation of this trilogy. This brief look at the author's unique experience and credentials sheds some light upon the origins of this highly unusual work.

Section 2 lays out and defines the basic conceptual building blocks needed to construct My Big TOE's conceptual foundation. It discusses the cultural beliefs that trap our thinking into a narrow and limited conceptualization of reality, defines the basics of Big Picture epistemology and ontology; logically infers the nature of time, space, and consciousness as well as describes the basic properties, purpose, and mechanics of our reality. Many of the concepts initiated in Section 2 are more fully explained in Book 2.
