The Primary Source Edition of *The American Nation* shows how the political history of the United States is intimately tied to the social, economic and cultural development of the nation. The Primary Source Edition utilizes primary sources, along with critical thinking questions for each, to immerse the reader in the unfolding story of America.

Co-authors Mark Carnes and John Garraty explore the relationship between these various histories and show how it took the voices and actions of many peoples to produce this singular political structure - The United States of America. Long renowned for its elegant narrative style, *The American Nation* in this Twelfth Edition retains its most significant strength—its rich and memorable prose.
