This six-session small group Bible study, *The Reason for God*, captures live and unscripted conversations between Tim Keller and a group of people to address their doubts and objections to Christianity. Using literature, philosophy, and Scripture, Keller and the group explore the truth of Christianity. In his New York Times bestselling book *The Reason for God*, Timothy Keller established himself as a modern-day C. S. Lewis who brings together faith and intellect, theology and popular culture, modern-day objections and historic Christian beliefs. Now fans of the New York Times bestseller can find resources to help them engage with those same objections, drawing on recent scholarship and debates. The *Reason for God* small group Bible study can be used individually, with groups, or by any believer who is engaging with friends who don't share his or her beliefs. Christians will be challenged to wrestle with their friends and neighbors' hardest questions, and to engage those questions in ways that will spark an honest, enriching, and humbling dialogue, as is modeled during the DVD sessions. While *The Reason for God* DVD (sold separately) captures a live and unscripted conversation between Timothy Keller and the six panelists discussing their objections to Christianity, this Discussion Guide will help small groups and individuals dig deeper into the objections of the Christian faith and to learn about both sides of the issues. Sessions include: 1. Isn't the Bible a Myth? 2. How Can You Say There Is Only One Way to God? 3. What Gives You the Right to Tell Me How to Live My Life? 4. Why Does God Allow Suffering? 5. Why Is the Church Responsible for So Much Injustice? 6. How Can God Be Full of Love and Wrath at the Same Time? "
