## **Killing Pablo: The Hunt for the World's Greatest Outlaw** Mark Bowden

A tour de force of investigative journalism—*Killing Pablo* is the story of the violent rise and fall of Pablo Escobar, the head of the Colombian Medellín cocaine cartel. Escobar's criminal empire held a nation of thirty million hostage in a reign of terror that would only end with his death. In an intense, up-close account, award-winning journalist Mark Bowden exposes details never before revealed about the U.S.-led covert sixteen-month manhunt. With unprecedented access to important players—including Colombian president César Gaviria and the incorruptible head of the special police unit that pursued Escobar, Colonel Hugo Martínez—as well as top-secret documents and transcripts of Escobar's intercepted phone conversations, Bowden has produced a gripping narrative that is a stark portrayal of rough justice in the real world.
