### From reader reviews:

#### **Gabrielle Oneal:**

Playing with family in a very park, coming to see the ocean world or hanging out with good friends is thing that usually you may have done when you have spare time, and then why you don't try thing that really opposite from that. Just one activity that make you not experiencing tired but still relaxing, trilling like on roller coaster you already been ride on and with addition info. Even you love Scarlet And Gold, you can enjoy both. It is great combination right, you still need to miss it? What kind of hangout type is it? Oh come on its mind hangout fellas. What? Still don't get it, oh come on its named reading friends.

#### **Jacquelin Vasquez:**

Is it anyone who having spare time subsequently spend it whole day by means of watching television programs or just lying on the bed? Do you need something totally new? This Scarlet And Gold can be the reply, oh how comes? It's a book you know. You are therefore out of date, spending your spare time by reading in this fresh era is common not a nerd activity. So what these guides have than the others?

#### **Michael Barth:**

As a university student exactly feel bored to help reading. If their teacher questioned them to go to the library or even make summary for some book, they are complained. Just very little students that has reading's heart and soul or real their hobby. They just do what the teacher want, like asked to go to the library. They go to there but nothing reading very seriously. Any students feel that reading through is not important, boring as well as can't see colorful pictures on there. Yeah, it is for being complicated. Book is very important for yourself. As we know that on this era, many ways to get whatever you want. Likewise word says, ways to reach Chinese's country. Therefore , this Scarlet And Gold can make you feel more interested to read.
