## **Mary Shelley The Dover Reader (Dover Thrift Editions)** Mary Shelley

The daughter of political philosopher William Godwin and feminist Mary Wollstonecraft, Mary Shelley (1797–1851) created a remarkable body of work that includes novels, short stories, essays, plays, biographies, and travel books. For many years, she was remembered solely as the author of *Frankenstein* and the wife of poet Percy Bysshe Shelley; today her reputation has risen to that of a major figure in the world of Romantic literature.

This treasury offers the best of Mary Shelley's writings, starting with the complete text of her masterpiece, *Frankenstein; or, The Modern Prometheus*, as well as the melancholy novella *Mathilda* and a significant excerpt from the apocalyptic classic *The Last Man*. In addition to the essay "On Ghosts," the collection includes a selection of short stories: "Transformation," "The Dream," "The Mortal Immortal," "The False Rhyme," and "Roger Dodsworth: The Reanimated Englishman."
