The Just Market: Torah's Response to the Crisis of the Modern Economy

Jonathan Brandow

The Just Market: Torah's Response to the Crisis of the Modern Economy Jonathan Brandow

Jewish source texts wrestle with many of the same economic concerns that occupy the contemporary public square: income inequality, structural unemployment, instability, rampant financial fraud and spiraling personal debt. *The Just Market: Torah's Response to the Crisis of the Modern Economy* identifies six foundations of ancient Jewish economic policy and explores their application to the modern world:

- Access to the Necessities of Life
- Universal Employment Opportunity
- A Level Playing Field
- Commercial and Promotional Integrity
- Respect for Labor
- Sabbatical Values

Just Market values respect competition. But they also represent a culture of economic justice that prioritizes employment opportunity and universal access to human needs. *The Just Market* addresses those issues by weaving Jewish source texts, their six underlying economic principles, social justice values and contemporary policy analysis into a compelling modern paradigm.

Karen Garcia:

As a scholar exactly feel bored to reading. If their teacher asked them to go to the library in order to make a summary for some book, they are complained. Just small students that have reading's heart or real their hobby. They just do what the professor wants, like asked to the library. They go to presently there but nothing reading very seriously. Any students feel that looking at it is not important, boring in addition to can't see colorful photos on there. Yeah, it is to be complicated. Book is very important in your case. As we know that on this period of time, many ways to get whatever we wish. Likewise word says, ways to reach Chinese's country. Therefore this The Just Market: Torah's Response to the Crisis of the Modern Economy can make you experience more interested to read.
