A Concise Dictionary of Classical Mythology

Pierre Grimal, Stephen Kershaw

A Concise Dictionary of Classical Mythology Pierre Grimal, Stephen Kershaw

"The Concise Dictionary of Classical Mythology" is a distillation into brief form of the single source dictionary of ancient Greek and Roman myths and legends. In keeping with Grimal's original dictionary, first published in 1951 in France the concise version covers virtually all major characters, and eight genealogical tables present the principal complex relationships between gods and men. The entries concentrate on principal versions of each legend, and only the most significant variations are covered, in order to focus on the common core of classical literature. Brief definitions are cross referenced to short accounts of the main legends.
