**Vile Wasteland** J.E. Keep, M. Keep

When a sheltered 'bunker babe' enters the wastes of society, she realizes that the world is far harsher than she could have ever anticipated.

Trading, bartering and kicking ass on her way to security, she works to save her people from starvation in the bunker. Yet she faces a ticking clock, and there's something not right about anything she finds.

Filled with lust, flings, and a determined young heroine, Vile Wasteland seamlessly combines action, adventure, and sex.

Welcome to the vile wasteland.

**She met his eyes, not flinching away, "Yea, about that. What exactly did you want me to be doing? Killing those things full time or just being your adorable little bunker babe plaything, huh? 'cause I'm not sure either of those really flies with me."**

**His smile widened to a smirk and he put up his two hands, "Why not both?" he said. "You got the tenacity for one, and the looks for the other," he said, reaching a hand out, touching his fingers to her knee. "We can come to an arrangement," he said softly.**
