A Tale of Boxes: The Role of Myth in Creating and Changing Our Stories Robert T. Latham

Every one of us lives in a box.

This box determines what we see and what we do not see.

It tells us who to love and hate. What to fight for. How to live.

Who we are.

Our boxes -- the collection of stories we tell about ourselves and the world -- create the human drama.

Whether you become a pawn in this drama or take control of your destiny depends on the ability to answer two questions:

- Why is my box the way it is?
- How can I transform it?

By examining the forces that have shaped your most deeply held beliefs, this book challenges you to think outside the box that society has provided for you ...

... and begin writing your own story.
