Book Sidekick: Dark Witch: Cousins O'Dwyer Trilogy, 1 BookBuddy

WARNING: This is not the actual book *Dark Witch* by Nora Roberts. Do not buy this reading *Sidekick* if you are looking for a full copy of this great book. From #1 New York Times bestselling author Nora Roberts comes *Dark Witch*, the first book in the new Cousins O'Dwyer Trilogy. Use this sidekick to complement and enhance your experience of Roberts' epic journey, spanning centuries of magic, Celtic mysteries, and family bloodlines. We meet Iona Sheehan, who has traveled to Ireland from America determined to unearth her family's legacy of witchcraft and magic. Upon arrival in county Mayo, she meets her cousins Branna and Connor O'Dwyer and begins to unravel her family history, which includes the story of their ancestor Sorcha, and that of an evil sorcerer named Cabhan, who tried but failed to steal Sorcha's powers 800 years earlier. The cousins begin to understand that their inherited magical powers are rooted in bloodlines passed down over centuries. *Dark Witch* weaves a spellbinding tale of good vs. evil, combining myth, magic, and romance. This sidekick's chapter-by-chapter analysis will guide you through Roberts' deftly plotted romantic adventure, as Iona falls in love with the handsome horseman Boyle McGrath and eventually learns to harness the power of her innate magic. Explore the *Dark Witch's* deeper themes of love, family, magic, and legend, as the family members prepare for an inevitable confrontation with ancient evil. Compelling and engaging, *Dark Witch* skillfully sets the stage for the remaining stories in the trilogy.
