Conan Volume 10: Iron Shadows in the Moon HC Timothy Truman

On the run from the army of Turan, Conan and fellow fugitive Olivia hide out on a small island in the Vilayet Sea. They soon find themselves stalked by an unseen terror in the jungles and threatened by a group of pirates belonging to the Red Brotherhood, which is led by Conan's sworn enemy, Sergius of Koth! However, those may be the least of Conan's concerns, because when the moon rises on this island, the ruins of a lost civilization stir and an ancient, deadly curse awakens! Conan will be pushed to his limits as he and Olivia fight to survive!
