Dan and Evans had been attracted to each other but the problem was that they were both in the football team and they knew just how it would have been if they came out clean that they were gay. To make matters even worse, it was very difficult for Dan to go ahead and tell Evans that he was attracted to him and the same was the case for Evans. So the only thing that they had to do was going out there and making sure that they became as close as possible and they would have that opportunity of coming close to each other during practice and they would even touch during tackles and it would pass as just a mere tackle in the eyes of everyone.

Excerpt:-

“Dan, wake up! You do not want to get late for school!”

Dan was devastated that the sex was just but a dream and in the way it was too sensational. This was just too unfair since it felt as though they were going to fall off after an amazing orgasm but that seemed as though it was never going to happen since the dream had been interrupted by his mom. Dan’s mom had been trying to hook up Dan with any of the amazing women that she knew but for some strange reason Dan just tend to put them down since all he wanted was guys like him but Dan made sure that the mom never got to know anything of that sort was up with her son since chances were that she would have freaked out and that was the last thing that Dan ever wanted to happen to his mom.

It was just a matter of time before Dan bend over and inserted Evans dick inside his ass and then his mom interrupted his sleep and for the first time after many days Dan felt as though he was going to kill his own mom and feed her to the dogs but knew that that wasn’t going to happen. If anything, then it would be his mom who was going to kill him and feed his body to the dogs if he wasn’t going to be careful. Dan didn’t want to be late for school since they were supposed to go out for practice and they had selected him as one of the best forwards and that meant that he was going to play since by side to his friend and lover and that was Evans. The last guy who got late found himself on the bench for two games and that was an awfully long time for Dan to stay away from Evans.

The campus looked awesome and they had some time to go ahead and enjoy all of the lectures before going to the football pitch for some practice.

Dan and Evans weren’t in the same course and so the only time that they got to see each other was when they were out in the pitch doing what they did best, training and tackling and making tries. Evans wasn’t as big as what people wanted to believe a forward should be but the kinds of skills that he portrayed were just out of this world. Dan would sometimes just give him the ball and then watched how Evans was going to do the classic dummies and go ahead and make a touchdown and that was when the whole crowd would go wild and girls would start throwing flower petals in the field but that wasn’t going to be a bother since girls weren’t a competition or a threat to what both of the guys had. They loved each other and that was the bottom line. Nothing no one was going to do or say was going to put them apart.
