Married to a Prince (Contemporary Royal Romance) Calista Kyle

Laila Greer never believed in fairy tales. She was too busy living in the real world and dealing with real world problems to waste time trying to find Prince Charming. That is until Andreas De Berg walked into her life.

Disgraced and sent away by his family, Prince Andreas arrives in New York looking for a fresh start. The last thing he needs is to be tempted by some beautiful hotel clerk. It's what got him in trouble the last time. Unfortunately for Andreas, one look at Laila and he knew it was a losing battle.

Laila wants nothing to do with the handsome arrogant stranger when he shows up at her hotel without reservations, but finds herself inexplicably drawn to him against her better judgment.

But happily ever after isn't so easy in the real world, and painful secrets from their past threaten to destroy their happiness. Can a regular working class girl and a playboy prince overcome all the obstacles in their way to live happily ever after?
