Steven Lewis Yaffee

The Wisdom of the Spotted Owl: Policy Lessons For A New Century Steven Lewis Yaffee

The controversy over the management of national forests in the Pacific Northwest vividly demonstrates the shortcomings of existing management institutions and natural resource policies. The Wisdom of the Spotted Owl explores the American policymaking process through the case of the spotted owl -- a case that offers a striking illustration of the failure of our society to cope with long-term, science-intensive issues requiring collective choices. Steven Lewis Yaffee analyzes the political and organizational dynamics from which the controversy emerged and the factors that led to our stunning inability to solve it. He examines the state of resource management agencies and policy processes, providing insight into questions such as: What caused the extreme polarization of opinion and lack of communication throughout the 1980s and early 1990s? How can the inadequate response of government agencies and the failure of the decisionmaking process be explained? What kinds of changes must be made to enable our resource policy institutions to better deal with critical environmental issues of the 1990s and beyond? By outlining a set of needed reforms, the book will assist those who are involved in re-creating natural resource agencies and public policy processes for the challenges of the next century. In explaining the policymaking process -- its realities and idiosyncrasies -- The Wisdom of the Spotted Owl provides a framework for understanding policies and institutions, and presents a prescription for change to allow for more effective handling of current and future environmental problems.

From reader reviews:

Warren Damron:

People live in this new moment of lifestyle always try to and must have the extra time or they will get large amount of stress from both everyday life and work. So , when we ask do people have spare time, we will say absolutely without a doubt. People is human not really a huge robot. Then we ask again, what kind of activity have you got when the spare time coming to you actually of course your answer will probably unlimited right. Then ever try this one, reading books. It can be your alternative within spending your spare time, the book you have read is usually The Wisdom of the Spotted Owl: Policy Lessons For A New Century.

Ardith Bobo:

Playing with family in a very park, coming to see the water world or hanging out with close friends is thing that usually you might have done when you have spare time, and then why you don't try point that really opposite from that. One activity that make you not experience tired but still relaxing, trilling like on roller coaster you have been ride on and with addition associated with. Even you love The Wisdom of the Spotted Owl: Policy Lessons For A New Century, you can enjoy both. It is great combination right, you still desire to miss it? What kind of hang-out type is it? Oh come on its mind hangout folks. What? Still don't get it, oh come on its named reading friends.

Joan Hanson:

Is it anyone who having spare time in that case spend it whole day simply by watching television programs or just resting on the bed? Do you need something totally new? This The Wisdom of the Spotted Owl: Policy Lessons For A New Century can be the respond to, oh how comes? It's a book you know. You are thus out of date, spending your time by reading in this new era is common not a geek activity. So what these ebooks have than the others?

Loretta Jones:

As a pupil exactly feel bored in order to reading. If their teacher questioned them to go to the library in order to make summary for some publication, they are complained. Just small students that has reading's internal or real their hobby. They just do what the teacher want, like asked to the library. They go to there but nothing reading critically. Any students feel that looking at is not important, boring and can't see colorful pictures on there. Yeah, it is for being complicated. Book is very important to suit your needs. As we know that on this age, many ways to get whatever we really wish for. Likewise word says, ways to reach Chinese's country. So , this The Wisdom of the Spotted Owl: Policy Lessons For A New Century can make you really feel more interested to read.
