Each time I thought about just how wrong it was, my body screamed louder for him

Over in this corner, a recent college graduate who has since had her entire life fall apart, forcing her to move in with her mother and her mom's new shady billionaire fiance. Madelyn always does what's "right" and expected of her, even if it prevents her from following her heart.

In this corner, Rorke, the muscular, handsome, spoiled and obnoxious billionaire heir. He's a man who has never told 'no' and he's used to always getting what he wants.

When these two complete opposites are forced to share cramped, tight quarters, the conflicted feelings and emotions begin to overwhelm them both. Though she does her best to focus on her work and he on his boxing training, it's impossible to ignore the intense connection each feels. If only she didn't hate him so much...if only their parents weren't about to marry...if only she could finally follow her heart.

There are intense battles going on inside the ring and out, with both Madelyn and Rorke waiting to see who has the courage to do what's so clearly wrong.

This is a standalone novel with an HEA and material suitable **for adults only**.
