Making Your Words Work: Using NLP to Improve Communication, Learning & Behavior Terry Mahoney

The first book to focus on the application of language models for classroom management, *Making Your Words Work* offers a large repertoire of linguistic approaches to improve communication between teacher and pupil.

It provides a robust rationale of the causes of anxiety and dysfunctional behavior, especially useful in situations where the pupil is a potentially disruptive influence. It covers the latest developments in effective teaching through the modification of language use. Developing the skills and behavior management strategies in this book will promote learning, improve relationships with pupils and result in a happier, more productive classroom.
